## The Story

Evangelist Riku Kekki had a clear vision about invitation card where Jesus was in the middle of the clouds. There was the text: "Invitation to the Wedding of the Lamb". Then he heard the voice: "Share this invitation as much as possible. This is an urgent matter."

After studying the biblical foundation, Riku and the team of believers started to share the invitation in Finland. First, they made materials available in print in digital. Then God started to call more people. As a results more than one million invitation cards have been shared end of 2022. We believe it is a small start for bigger vision to share the invitation globally. Jesus said: "Go into the world and preach the Good News to everyone" (Mark 16:15, NLT).
